Gentlemen and Mrs. Schmidt:

The year 1972 is quickly drawing to a close and as I look back at it from this vantage point I see that it has been an extremely fruitful and beneficial year for the citizens of Fort Wayne.

Much good has happened this year. I do not have to itemize the litany of your deeds. I think your President did it adequately in his report to you.

However, I must state unequivocally that this has been perhaps the most outstanding Council which has served the citizens of Fort Wayne. You have been open, critical, objective, incisive, and, above all, humane in your deliberations and in your actions. I commend you for the seriousness with which you each took your job.

I want to wish each of you individually and collectively the very best for the New Year. I am confident that 1973, like 1972, will be a banner year.

Sincerely,

Ivan A. Lebamoff

Gentlemen and Mrs. Schmidt:

Attached hereto are copies of resolutions pertaining to two (2) zoning ordinance amendments acted upon by the City Plan Commission at their regular meeting held December 18, 1972. In addition to the reasons outlined in the resolutions, the following are additional remarks pertaining to the ordinances involved.

1. Bill No. Z-72-05-19

   a. Intended Use: No specific use

   b. Plan Commission Recommendation: DO NOT PASS

      This ordinance received a DO NOT PASS recommendation for the following reasons:

      1. There are no industrial uses in the immediate area of this petitioned change.

      2. All access to this area would be by unimproved streets, which, if zoned industrial, would not be adequate to accomodate the type of traffic this use could generate.

      3. Since the present use of this property is legal non-conforming and no change of use is contemplated, it would not be necessary for a change in zoning classification to allow the petitioners use of this property.

      4. The improvements necessary to accomodate an industrial use in this area would be prohibitive to the petitioner.

2. Bill No. Z-72-05-22

a. Intended Use: T. V. Repair Shop

b. Plan Commission Recommendation: DO NOT PASS

This ordinance received a DO NOT PASS recommendation for the following reasons:

1. The present character of this area is residential and even though industrial development is presently located to the west of this addition, the highest and best use of this particular area is still residential.

If there are any questions with regard to these ordinances, please feel free to call on us.

Gentlemen and Mrs. Schmidt:

Please express my apology to my colleagues for missing the last meeting of the Common Council for 1972 at which, except for my misfortune, I would have been present.

As you know I am confined to the hospital.

I place every confidence in Vice-President, Samuel J. Talarico to preside in my absence.

It has been an eventful year for the Common Council and indeed without the cooperation of you my fellow councilmen we could not have succeeded in our legislative program.

I wish especially to thank you, Charlie Westerman, our Clerk and your staff for your constant care that our meetings were well prepared and properly reported. A note of thanks is also due to our City Attorney David Keller and his staff and our own Council Attorney John Logan.

I want to especially thank Mayor Lebamoff and his departments for their assistance in making our work easier and more effective for the betterment of Fort Wayne and I wish our Mayor continued success.

I have ordered our Clerk to call for an election of officers and appointments of committees and reorganization of the Council as by law provided on January 3, 1973 at 7:30 P.M., E.S.T.

Let us work together to achieve the betterment of our City.
